Product description

This toy gives you sexual pleasure, size and confidence you have always dreamed. Each time you press the inflation ball, your erection will increase the length and width. The inlet has been made with soft and flexible materials to enjoy a pleasant feeling in your throbbing hard erection.

The vacuum tube is transparent and allows you to see how your penis grows. With one touch of a button you can directly reduce air pressure. Once you're done, you just have to disconnect the vacuum pipe of the cylinder and clean the pump with a special toy cleaner and hot water.

- Inlet: Vagin design
- High quality materials
- Easy to clean
- Powerful erections
- Finger grip
- Length: 20 cm
- Diameter: 6 cm

Pump Guide

Penis Pump Guide

Manual pumps offer more control. Automatic pumps are easier but less adjustable. Hydro pumps (Bathmate) use water for even pressure.

Start with low pressure and short sessions. Increase gradually over weeks. Never sleep with a pump on.
