Product description

The dildo with the vibrating and rotating shaft is a magnificent dildo that can give you pleasure in many ways.

It is flexible and soft in texture for the most real feel. Its smooth, textured shaft features realistic elements like a bulbous head and firm testicles. Thanks to a suction cup on the base you can fix it on any smooth surface to use it without the help of your hands.

To control the vibration and rotation function, it has a remote control that allows you to change the vibration modes while you are using this fabulous toy.

- Realistic vibrator
- Multi-speed vibration
- strong suction cup
- 100% real feeling
- Material: PVC and ABS
- 2 AA batteries.
- Veiny and textured
- With remote control
- Measurements: See photo
- The use of lubricant is recommended
