Product description

A fantastic Double Penetration Penis made of latex.

It has a built-in control with adjustable vibration.

Double stimulation is the last frontier of pleasure, it is well known that there are women who enjoy anal penetration but it is also recognized that double penetration is the climax of a good intercourse.

- It incorporates a powerful suction cup with which we can place it on any surface without having to use our hands, although it can also be used manually if we require it.
- It uses two AA batteries that are not included, you can find them in the batteries section!

Double stimulation and double penetration!!
