Product description

It is the perfect replica of the sensual life-size vagina and anus, of unsurpassed quality, thanks to the new CYBERSKIN material, a virtual touch texture, which provides the ultimate experience in pleasure and sexual stimulation.

The innovative interior material of this vagina allows it to return to its original shape after each use.

- The Cyberskin material perfectly simulates the feel of human skin and the rigidity that the penis needs to enjoy all the sensations to the fullest.

After using the Cyberskin toy, wash carefully with warm soapy water. Dry with a clean cloth or towel. Do not rub it as this may abrade the surface.

- Measurements: 15 x 16 cm

Dare to discover the other side of masturbation.
