## Product description

Enjoy an intense and satisfying orgasm with the inflatable vibrator made of TPR material imitating skin. Simply inflate it to double its circumference. The ergonomically designed hand pump with a quick air release valve gives you complete control over the size of your new toy for you or your partner to control. This realistic dildo has a veined shaft with the testicles for greater sensation and realism. You can fix it on the wall or on the chair thanks to the strong suction cup to use it without the help of your hands, it is ideal for playing alone. Its multi-speed vibration function will surprise you.
