Product description

The REVOLUTION in male masturbation is here.

Begin to feel the greatest sensation ever thought only for Man!

The Rotation Lover is an automatic masturbator with 5 rotation functions and has an internally textured masturbator sleeve that twists, turns and rotates around your member. With a handle that adapts ergonomically to your hand, you can control it with just one button. Without any additional effort!

It has an incredibly powerful motor that puts the most intense vibrations at your fingertips, whatever its speed. ! The greatest innovation in masturbator is here!

Apply lubricant inside and slide your penis into the sleeve through its opening. Put the ROTATION LOVER into operation by simply pressing the button and start enjoying its pleasure nodes.

You can use it in two ways.

- USB directly to computer (Cable included)
- Battery powered, it uses 4 AA batteries (not included) that you can find in the Batteries section.
- It also includes a 180-degree adjustment for use leaning on the wall or in the shower, enhancing the sensations.

Now the biggest revolution in male masturbators is here!
