Product description

The vibrating egg with a special design, manageable and with intense vibrations. It beats a classic egg, giving it more texture and vibes on top.

Very manageable, ideal for stimulating the clitoris, nipples or glans of the penis, you can use it alone or with your partner. The smaller size is perfect for beginners to start experimenting with sex toys.

A sleek remote control lets you change the intensity of the vibrations. The vibrations are very quiet and discreet to enjoy without worries. It is easy to clean and maintain, simply using soapy water or a cleaning product for sex toys.

- Compatible with water- and silicone-based lubricants
- Powered by 2 AA batteries.
- It is not recommended for use in water.
