Product description

Innovative remote control works up to 15 meters away.

- Magnificent toy for couples and for individual stimulation.
- Comfortable in use since it is designed with the latest engineering, its use in CLIP does not incorporate side fastening straps, making its use more sensitive.
- As it is totally discreet, only you will know that an immense pleasure is running through you, imagine the exciting situations you can experience...
- Dinner with your partner, drinks with friends, a family reunion...
- Create, enjoy and invent the most morbid situations.

The thong works with two LR03/AAA batteries, and the remote control with one LRV08 battery that are already included in the game.

If you need to replace them or prefer to have spares, you can find them in the BATTERIES section.

The pleasure now in remote control!!
