Product description

This vibrating penis sleeve stimulates the head of your penis, with two bullets ready to be placed in three different points.

Simply slide it over your erect penis and let your partner enjoy the enhanced sensations brought by the vibrating bullets from the inside.

It's as easy to use as putting on a condom but incredibly effective.

Characteristics:

- Multi-speed vibration
- Material: ABS and TPR
- Powerful vibrations
- Measurements: See photo
- Batteries: 2AA
