BATHMATE - CLEANING KIT

Price	57.84 Euro
Number	70137113
Producer code	FETISHID-215523
EAN	5060140200437

Product description

The Bathmate cleaning kit is the perfect accessory to keep all Bathmate accessories hygienically clean.

The ergonomically designed cleaning brush allows the user to give their hydropump a thorough clean. The 2 high-quality towels can be used to dry the hydropump after cleaning, meaning it does not have to be visible to dry.

The kit is supplied in a sturdy zip bag allowing you to store it neatly after each use.
