Product description

BEGME Elastic vegan leather mask perfect for your bondage games.

Why wear a mask in the BDSM game?

It means in the sexual code: Blindfold me! It is when the mask becomes the sole controlling force behind a person's sexuality.

Put this BEGME mask on your lover to give a mysterious and interesting touch to the moment. Induce your lover into a state of darkness that enhances his sexual appetite.

- This mask is fastened with a comfortable stretch fabric strap.

Materials; Neoprene, Nickel Free Metal and 100% Vegan Materials.

- 100% Adjustable.

Sadomasochism is based on more than just feeling pleasure through pain. It is characterized by assuming the roles of dominant and submissive. The representation of these roles in non-sadomasochistic couples, within their erotic game and without taking it to the extreme, can be stimulating. Of course, it explains that this should always be a practice consented to and desired by both members. "When these practices do not cause discomfort in the person or in their partner and are consented, we cannot consider them unhealthy or pathological. The S&M does not generate problems in healthy people." The only thing they must respect is the establishment of very clear limits on what is allowed and what is not, as well as some signal to know where to stop.

Why BEGME?

Begme is a BDSM brand with top quality materials made 100% with three quality controls and that guarantee a completely safe process in the Fetish game.
