Product description

Day & Night condoms are certified top quality professional condoms.

These technologically advanced condoms create a natural feel and have a perfect fit. The Day & Night condoms are slightly larger than regular condoms and do not have a nasty latex odor. Day & Night condoms are made from natural rubber latex and offer excellent protection.

They are provided with a reservoir and contain a non-spermicidal silicone lubricant. The packaging has a tough look due to the use of a black foil with silver print.
