Maze is the most daring collection from Bijoux Discrets, inspired by classic bondage. MAZE invites all women to blend eroticism into their day to day lives, as it is designed to be worn with the boldest outfits, the sexiest lingerie or on bare skin.

This collection embodies the brand’s commitment to the environment and animal welfare. All straps are 100% vegan, made from polyurethane, an alternative, innovative material that doesn’t compromise on style or quality. In 2017, the collection was given VEGAN APPROVED status by the world’s largest animal rights organization PETA (People for Ethical Treatment of Animals).

Designer and co- founder of Bijoux Indiscrets, Elsa Viegas, dedicates her collection to self-confident women. Her designs seek to blend eroticism into day-to-day life, as she says: ‘Being sexy is an attitude!’
