Did you know...

...the term bondage has its origin in the English word bonde which means servant?

...bondage consists of limiting the couple's movements with ties to engage in a game that triggers fantasies and sexual excitement?

...bondage is one of the most common sexual fantasies, both among men and women?

...to be practiced in a pleasant and safe way, bondage requires the consensus and mutual consent of the couple?

...the essence of bondage consists of letting yourself be dominated and surrendering to your partner? Surrender, more than a game, involves total and absolute trust in the other. A valuable gift that must also be reciprocal.

Suggestion: make him “suffer” from pleasure and combine the tie ribbons with the mask and the duster.
