Product description

LUBRICANT WITH ALOE VERA AND WATER BASED

Aloe vera is one of the most versatile natural ingredients: it is edible, has medicinal properties, moisturizes, softens and calms the skin. Ancient Ayurvedic texts even praise its blood-purifying and toxin-releasing actions.

This plant, given its extraordinary properties, is one of the most sacred and healing on the planet. And although there are more than 240 types of aloe, only one of them, Aloe Vera Barbadenis, has the power to heal us. Aloe vera is also known for its antibacterial and antifungal properties, making it the best ally for intimate products such as lubricants.

This water-based lubricant combines aloe vera with natural ingredients for a smoother sensation. Nourishes and keeps your intimate area balanced with its ultra-hydrating and repairing properties. Improve intimacy, reduce friction and soothe your skin with the magic of aloe vera.
