- The origin of the Name Bijoux Indiscrets!

“Les Bijoux Indiscrets” is the erotic novel written by Denis Diderot, in the 18th century, in which his characters live in a dream world full of eroticism and fantasy. They access that other reality thanks to a magic ring. And it is, precisely, that “magic ring” that presides over our name, and we hope it guides us, to be able to also lead all our clients to that other world full of pleasures and sensual adventures.
