Product description

The flame of this candle illuminates desire. In the heat of its faint glow, the essence of Bijoux Indiscrets emerges, a fragrance inspired by the Kama Sutra that combines rose, ylang-ylang, jasmine and oriental spices.

For a sensual massage with the aroma of Aphrodisia, light the candle and wait a few minutes for the waxes and essences to melt into a rich balm.

The massage begins with circular movements throughout the body and ends with delicate caresses.

- Massage candle in a luxury 70 gr container.

Welcome to the secret world of Bijoux Indiscrets.

- The origin of the Name Bijoux Indiscrets!

“Les Bijoux Indiscrets” is the erotic novel written by Denis Diderot, in the 18th century, in which his characters live in a dream world full of eroticism and fantasy. They access that other reality thanks to a magic ring. And it is, precisely, that “magic ring” that presides over our name, and we hope it guides us, to be able to also lead all our clients to that other world full of pleasures and sensual adventures.
