Product description

These circular temporary tattoos adapt to all types of breasts and enhance them. They maintain the iconic shape of the classic Mimi, decorating the skin in a very sensual way, highlighting the beauty of the female body.

- Content: Set of three pairs of Mimi (6 units): silver, gold and bronze.

A set of three different colored temporary tattoos: gold, silver and copper.

- Metallic colors that stand out on any skin tone.
- Easy to use: be guided by its removable central circle, if you want to apply it to the chest.
- Permissible on any area of the skin, except near the eyes or in areas with mucous membranes.
- Its application lasts an average of 4 days.
- Easy to remove: they are removed on their own as the days go by or with a little makeup remover cream.
- Mimi <3 Summer! These skin decorations are great with any swimsuit or with your most festival looks.
- Unique design.
