### Product description

**We don't believe in miracles, but we do believe in ancient wisdom!** We turned to top experts in dietary supplements and herbal combinations to develop the perfect formula: **a blend of natural ingredients and herbal extracts designed to take libido to the next level.** We often blame stress and routine for a lack of desire, but sometimes our diet needs an extra boost of vitamins and minerals. Choosing the right supplement can be challenging—it's hard to know which one to trust. That's why, at Bijoux Indiscrets, we decided to create the solution we wanted for ourselves: one we feel confident with, that helps reduce stress levels and enhance libido. With more than **40 years of experience** in the development of dietary supplements, our laboratories in Madrid helped us formulate **ORGASM GLOW, the perfect blend of herbs and minerals to bring balance to your body and help you enjoy maximum pleasure.**
