Product description

Black & Silver launches the new Touch control vibrators, these are the two Kaultz Duo and Kean vibrators.

All vibrators in the Black & Silver collection have new generation motors, this is an increase in power with greater durability.

All Black & Silver vibrators are rechargeable via USB, they are elegant, they have a fantastic touch thanks to the silicone that covers each exclusive piece.

- Black & Silver's hypoallergenic silicone stands out for its silky matte surface with an extraordinary adaptation to the body. With a waterproof finish (IPX6). The flexible material glides wonderfully and quickly adapts to body temperature.

Available with 10 vibration modes as well as a unique function, the “touch control” system. Touch control is very easy to use and provides technology that differentiates it from other products.
