### Product description

Black&Silver launches the new collection of vibrators and rotators that have new generation motors, achieving an increase in power with greater durability. Its premium super soft silicone finish is a plus for the most demanding orgasms. All the vibrators and rotators in the new Black&Silver collection are rechargeable via USB, they are elegant and their premium finish of super soft and hypoallergenic silicone is a plus for the most demanding orgasms.

The KENJI STIMULATING VIBE range is the most complete and unique premium masturbator on the market. It incorporates a set of functions never seen before in a vibrator: G-spot stimulation thanks to its base of soft rotating pearls, penetration through the amazing "up & down" function, clitoral stimulation thanks to its incredible "rabbit" and, in addition, It is compatible with the innovative Watchme remote control technology.
