Product description

DISCOVER BLACK&SILVER™ TUCKER

Black&Silver™ Tucker is the improved version of the anal plugs with remote control vibration; In addition, being a universal pleasure, it has an ideal size.

Silent and light, this anal plug is compact with 8cm in length and 3cm in diameter, it adapts perfectly to the anal interior, allowing you to use it comfortably and discreetly. Its ergonomic and flexible design makes possible maximum contact with the anal interior to offer you infinite pleasure!

Black&Silver™ Tucker has a powerful motor and ten vibration modes, which you can cycle through with the same product or with its exclusive remote control in a completely discreet way.

- Your imagination is your only limitation.

Black&Silver™ Tucker under your favorite lingerie and enjoy long and pleasant walks, spicy encounters and/or irresistible evenings.

Decide if you want to play alone in your deepest secret or if you want to light fireworks with your partner in a truly exciting experience. Besides,

However you decide to play, satisfaction is just a click away!

- Enjoy amazing and precise orgasms with Black&Silver™ Tucker

HOW TO USE IT?

Like any other Anal plug, Black&Silver™ Tucker is inserted into the anal or vaginal area, with its oval part on the outside acting as a stop. It has a powerful, very quiet motor, allowing you to enjoy its potential without alerting anyone of its use, unless you give yourself away.

On the upper front part you have the main button that allows you to manage the vibrations. However, the fun thing is using its 10 vibration modes with the included remote control; This way it will be your lover who controls the vibrator, the intensity and your pleasure. You can imagine the excitement of using this toy in public, but why not try it firsthand?

Always use it with water-based lubricant, never with silicone-based lubricant. When washing Black&Silver™ Tucker use water and neutral soap.

CHARACTERISTICS

- Powerful vibrator with 10 vibration modes.

- Remote control controller.
- Submersible IPX6 category
- Discreet.
- Completely flexible and soft.

CLEANING

Thoroughly clean the toy before and after each use with warm water and mild soap.

STORAGE

Store your Black&Silver™ Tucker toy in a dust-free place and keep it away from toys made of other materials. Avoid leaving it in direct sunlight and NEVER expose it to extreme heat.

USE TIPS

Black&Silver™ recommends the use of water-based lubricants for easy and smooth insertion of all silicone products. Do not use silicone lubricants, oils or creams with any silicone product as they may degrade the product material and limit its performance and life.

**Note; This product is prohibited from being sold on any E-commerce channel. The sale is authorized for physical points.
