Product description

Alan; Conceived to fill and sublimate the pleasure of the couple. Alan is the spectacular fusion of 3 concepts (vibrating ring with vibrating sheath and clitoral stimulator) in an object of irresistible pleasure, particularly ergonomic and easy to place.

Elaborated to multiply the sensations and intensify the excitement, its innovative design introduces a powerful and silent motor that diffuses irresistible vibrations in the testicles and clitoris simultaneously.

Made of medical grade silicone with velvet touch, flexible enough to adapt to any morphology, Alan's ring stimulates the testicles, prolongs the erection and delays ejaculation even during the hottest relationships

- Powerful Motor
- Anti-allergenic silicone
- Rechargeable usb included
- 10 Vibration programs
- Waterproof
- Lithium ion battery
- Easy to use and easy to clean.
