Product description

Discover the power of a fragrance with **Burn**, the brand that redefines the essence of the modern man with perfumes designed to reflect strength, elegance and seduction. In their practical 20 ml presentation, these perfumes will accompany you at every moment of the day, ensuring that your presence leaves an unforgettable mark.

Intensely Masculine Fragrances
From fresh and citrus notes to woody and spicy accords, the Burn collection for men offers a variety of aromas designed for every personality and occasion. Whether it's for a day at the office, a casual outing or a special night, there will always be a a Burn that suits you.

Exquisite and Long-Lasting Ingredients
Each fragrance combines high-quality ingredients that evoke sophistication and character. Among its notes you will find vibrant freshness with hints of bergamot and mint, elegance with lavender and leather, and depth with amber, sandalwood and vetiver. The perfect blend of classic and modern.

Compact and Sophisticated Design
With their 20 ml presentation, these perfumes are ideal to carry in your pocket or travel bag, allowing you to refresh your fragrance at any time. Its elegant design reflects the personality of the man who knows what he wants and leaves his essence in every step.

For the Confident and Passionate Man
Burn is not just a perfume, it is a seal of identity. A scent that projects confidence, style and seduction with each application.

Burn: Authenticity, Power and Distinction in Every Bottle.
