### Product description

The Bye bra Breast Lift Pads are the perfect backless and strapless solution to lift, shape and support your breasts under any outfit. Made from 93% cotton they guarantee a very natural look and feel. Stretchy and breathable, they feel like a second skin. The high quality and long lasting adhesive makes them sweat and waterproof.

- Apply the nipple cover on top of your areola to add a layer of protection
- Remove the protective foil and carefully place the tape underneath the lower part of your breast before you lift it up
- Repeat the procedure on your other breast
- The stretching lines allow the skin to breathe making the breast lift pads sweat and waterproof
- The breast lift pads are 93% cotton. The adhesive is dermatologically approved and hypoallergenic
- Thanks to a 5% elastane the breast lift pads are stretchy, allowing for a perfect fit
- Partyproof
- Waterproof
- Elastic
- Comfortable

### Application Guide

#### Specialty Bra Guide

Clean and dry skin before applying adhesive bras. Peel off slowly after wear. Store on original plastic to maintain stickiness.

For strapless bras, ensure band fits snugly - it should stay up without straps.
