Product description

Bye Bra is Europe’s leader in adhesive breast lift tape. The Bye Bra tape is produced in the Netherlands using a medical adhesive made by 3M, the world leader in the fabrication of medical adhesives. It is available in cup sizes up to cup F+, it is of high quality and easy to apply, and it comes with a range of different nipple covers.

The Bye Bra tape is a simple solution for a quick and effective enhancement of the female breast without the need for surgery, or even a bra! The Bye Bra lifts the breasts simply and effectively. bye bra The unique 3M quality tape, which is used in hospitals, is, unlike some counterfeit products, entirely safe, and creates a perfect strapless lift. The strapless bra can lift the breasts simply and effectively.

The Bye Bra tape also makes sure the breasts stay in place. While they still remain free to move under textiles, the Bye Bra tape will contain any excessive natural movement of the breasts. The Bye Bra comes with silicone nipple covers. You might wonder why we offer two types of nipple covers. It’s because every breast is different. Every woman is unique.

It's included:

- 3 pair lifts
- 1 pair of silicone nipple covers
- Cup: D-F
