Product description

Bye-Bra Silicone pull-ups are suitable for use with open-styled outfits. Besides lifting and shaping, the product can be reusable up to 50 times. The silicone Pull-ups are made of 100% silicone

Instructions:

Clear your skin of any oil and creams. Remove the protective film and apply one pull-up at a time. Stick the silicone petal over the nipple first and lift upon achieving the desired effect

- Reusable
- Adhesive
- Lifting
- Invisible
