Product description

The Gala Bra is the perfect way to support the breasts for a perfect silhouette. Distribute the weight in a natural way.

The underwired cups of the Gala bra align the bust while the pads enhance.

You can wear it with an open sword dress because it is completely invisible and comfortable.

The Gala bra can be worn up to 25 times with proper care and adherence to instructions.

Underwired and strapless, the Gala bra adheres firmly to the skin thanks to high-quality polyolefin adhesive gel technology, making it the ideal solution for any strapless or backless outfit. The soft, naturally molded foam cups along with the adhesive silicone gel in the push-up cups of the cups provide support, freedom of movement and superior comfort.
