- Apply the Perfect Shape Pads, one at a time, to the inner side of your bra cup.
- Gently press the pads to smooth and secure the adhesive onto the inner side of the bra cup.
- Time to enjoy - we support you!

Recommendations

- Do not pin or sew the Perfect Shape Pads in place.

Application Guide

Specialty Bra Guide

Clean and dry skin before applying adhesive bras. Peel off slowly after wear. Store on original plastic to maintain stickiness.

For strapless bras, ensure band fits snugly - it should stay up without straps.
