Product description

Transparent & Soft

Four words: Soft, Waterproof, Comfortable, Push-up

Description

The Bye Bra Waterproof Pads help you to achieve an instant and natural looking push-up effect. They are ideal for solving any bra-fitting problem or adding extra push-up. Their triangular shape and gel-like material provide superior support and create a fuller looking bust under your bikini.

Recommendations:

- • Hand-wash with warm water and mild soap, then air dry.
- • Do not pin or sew in the Waterproof pads in place.

Application Guide

Specialty Bra Guide

Clean and dry skin before applying adhesive bras. Peel off slowly after wear. Store on original plastic to maintain stickiness.

For strapless bras, ensure band fits snugly – it should stay up without straps.
