#### Description

The Bye Bra Waterproof Pads help you to achieve an instant and natural looking push-up effect. They are ideal for solving any bra-fitting problem or adding extra push-up. Their triangular shape and gel-like material provide superior support and create a fuller looking bust under your bikini.

#### Recommendations:

- Hand-wash with warm water and mild soap, then air dry.
- Do not pin or sew in the Waterproof pads in place.

### Application Guide

#### Specialty Bra Guide

Clean and dry skin before applying adhesive bras. Peel off slowly after wear. Store on original plastic to maintain stickiness.

For strapless bras, ensure band fits snugly - it should stay up without straps.
