Product description

Comfortable and slip-free

Four words: Soft, Reusable, Comfortable, Non-slip
Description:

Shoulder Bra Pads are the ideal way to sculpt your silhouette under any outfit. Designed with a soft foam, the Shoulder Bra Pads are also discreet under clothing. The seamless edges of the pads allow for smoother, improved contours.

Instructions:

- Place a Shoulder Bra Pad on each shoulder.
- Secure the Shoulder Bra Pads by placing the bra strap in the designated flap pocket underneath.
- Alternatively, use without securing the flap pocket by placing the pad over your shoulder in the desired position.
- Adjust until you reach a comfortable fit.
- Save enjoy it - We are here for you!
