Product description

Comfortable and slip-free

Four words: Soft, Reusable, Comfortable, Non-slip
Description:

Shoulder Bra Pads are the ideal way to sculpt your silhouette under any outfit. Designed with a soft foam, the Shoulder Bra Pads are also discreet under clothing. The seamless edges of the pads allow for smoother, improved contours.

Instructions:

- Place a Shoulder Bra Pad on each shoulder.
- Secure the Shoulder Bra Pads by placing the bra strap in the designated flap pocket underneath.
- Alternatively, use without securing the flap pocket by placing the pad over your shoulder in the desired position.
- Adjust until you reach a comfortable fit.
- Save enjoy it - We are here for you!

Application Guide

Specialty Bra Guide

Clean and dry skin before applying adhesive bras. Peel off slowly after wear. Store on original plastic to maintain stickiness.

For strapless bras, ensure band fits snugly - it should stay up without straps.
