- 3. Close the backless strap at the front.

The ultimate solution for that fabulous backless dress in your closet that you always avoid! Comfortable, sheer accessory that allows you to wear your favorite bra with backless dresses and low-cut necklines by instantly adding extra length to your bra. The straps can be adjusted to your most comfortable fit. Bare back straps work best with 1 hook and 2 hook bras!

- Reduce your bra by 10 centimeters.

### Application Guide

#### Specialty Bra Guide

Clean and dry skin before applying adhesive bras. Peel off slowly after wear. Store on original plastic to maintain stickiness.

For strapless bras, ensure band fits snugly - it should stay up without straps.
