Product description

Ride the waves of ecstasy into unexplored territories of pleasure with the Admiral advanced curved probe.

The 10-function probe combines flexible comfort and intense stimulation with the extended shaft design and two powerful motors. Two powerful vibration motors align the shaft to deliver rumbling door-to-door stimulation rear, while the contoured base and flexible body flex and move during the most X moments. An extended shaft delivers advanced-level pleasure for powerful playtime.

Enjoy comfortable insertion, effortless stimulation and gentle removal with the soft ergonomic shape, flexible design and curved base. Recharge the silicone massager Premium in 1.5 hours with the included USB charging cable to enjoy 45 minutes of high-speed stimulation or 60 minutes of low-speed vibrations. While the easy button controls the intensity and chubby probe gives you the stimulation you want, the latest generation built-in memory chip remembers how you like it by starting with the last function used.
