Product description

Open yourself up to a world of thrilling anal pleasure with the Silicone Anal Ripple Kit. Indulge in knee-trembling pleasure with the set of 3 graduated sizes of gently curved anal plugs with suction cup bases. Gently increase your pleasure with the naturally curved design made to hit all the right spots and keep things comfortable during playtime. Each probe in our kit gradually increases in length and girth for superb pleasure at any level of pleasure play. While each increase of your training expands your horizons, use the convenient suction cup base for steamy stimulation, effortless insertion and gentle removal. The flexible probes are made from a smooth, virtually seamless Satin Finish silicone. This body safe material is unscented and phthalate free to keep your most sensitive spots happy and healthy.

- Pure Silicone anal training kit with Satin Finish
- Gently curved with sturdy suction cup base
- 3 graduated sizes for the perfect fit

Safety Guide

Safe Anal Play

Never use a dildo without a flared base for anal play – it can get lost! Use plenty of lubricant, start slowly, and stop if you feel pain.

Clean your anal dildo thoroughly after each use with soap and water or a toy cleaner.
