Product description

The Love Rider Beaded silicone double penetrator turns your encounters into a memorable orgasmic experience.

The sturdy beaded probe lets you bring your erotic activities to life without the need to invite a third person.
With this versatile penetrator, you can share the experience of full double penetration sensation with your lover.
The Love Rider Beaded Silicone Double Penetrator measures 14.5cm x 2.5cm and is made from premium unscented silicone.

The flexible shaft features a selection of smooth, graduated beads that provide intense pleasure. For a comfortable and pleasant insertion, the shaft of the penetrator also has elastic loops that slide over the erect penis and provide testicular support.
For added satisfaction, we recommend using a quality lubricant with this toy.

The penetrator offers flexible stimulation and climax options and can also be used with a strap. The Silicone Love Rider Beaded Dual Penetrator is perfect for both beginners and experienced users who want a double experience.
Alternate insertion location for maximum thrill and limitless ecstasy. Before and after each use, remember to clean the penetrator with a toy cleaner spray or wash it with warm soapy water.
