Product description

The rechargeable silicone DUAL EXCITER ring combines 7 intense vibration functions with an erotically contoured exterior to double the pleasure.

This double stimulating ring is ideal for beginners looking to spice up their relationships or erotic experts looking to add intense pleasure to their arsenal of toys.

The luxurious body-safe silicone ring works to improve strength and girth so your lover moans for more, more, more. The tight ring maximizes sensitivity and increases sensation throughout the penis, allowing men to enjoy longer and more powerful pleasure.

As you reach the next level of pleasure, the 7 vibration functions and the curved tickle will leave your partner in a state of orgasmic bliss.

Ladies, as your pleasure increases, so will yours! The ergonomically shaped stimulator and nubby teasers bring pleasure to your most intimate sweet spots.

Effortlessly pump up the intensity through your next steam session with or without the easy-to-use remote. Take this waterproof ring for a splash and embrace those powerful vibes in the bath, shower, or hot tub.

This passionate ring remembers exactly how you like it with the state-of-the-art memory chip and can detect the last function used. Use the easy-to-touch silicone buttons or remote control to effortlessly control pleasure. Recharge your pleasure in no time with a charging time of 1 hour.
