Product description

Cover for the penis with stimulator for clitoris, with which you can increase pleasure in your intimate relationships, up to unsuspected limits.

- Made of premium transparent silicone.
- Once placed on the man's erect limb, with each penetration, the vibrator will stimulate the clitoris with its front part and with the steel pearls inserted above and below the vaginal area.
- It helps to delay ejaculation, keep your penis erect much longer and lengthen the time of sexual intercourse.
- Includes a powerful vibrator.
- It's very comfortable.

It includes two sets of batteries, so you will be able to use it for long periods of time without having to worry about them.
