CALEXOTICS - GET HARD HEAD PUMP SET

Price	141.55 £
Number	70137239
Producer code	FETISHID-224010
EAN	716770092588

Product description

This fully automatic, high-tech pump offers 3 levels of intense suction, 5 vibration functions, and a vibration damper for truly explosive results.

A soft and vibrant tickling contact pad provides the feeling of full coverage you've been longing for.

Immerse yourself in intense suction, while the soft and vibrant internal landing pad uses tickles to thrill your pleasure tool with full coverage stimulation.

Enjoy powerful suction and a top seal with two unique interchangeable rings. Wear the simple ring for your regular pumping session and the ultra-tight ring for intense stimulation.

This removable open-end sleeve is easy to use, easy to clean and requires no special care.

- It works with 3 AAA batteries, not included.
- Total length: 13.25 cm

California exotics at the forefront of sexuality !!
