Product description

The Flickering Intimate Arouser from the Inspire collection by Calexotics is a unique oscillating stimulator to accelerate female arousal and increase the sensitivity of intimate areas.

This elegant curved and ergonomic massager, fits comfortably in the palm of your hand and offers 10 functions of vibration, pulsation and climbing. The design has a clitoris cup with a soft tip for maximum full contact excitation. The stimulator is rechargeable by USB (charging cable included) and is made of premium silicone.

The Inspire collection of intimate products is aimed at improving the sexual life of women. These products can help alleviate the physical discomfort that could result from illness, age or other factors and are carefully constructed for women who want to increase their intimate strength, resulting in a more pleasant sex life.

A portion of the income from the Inspire collection will go to Living Beyond Breast Cancer: an organization that offers programs and services to people whose lives have been affected by breast cancer. By investing in the Inspire range, you not only please consumers with innovative and useful products, you will also be contributing to a worthwhile cause.
