Product description

The Eclipse Liquid Silicone Flex Probe is a sexy, flexible silicone probe created to ease you into thrilling anal pleasure. The gently curved design and plush liquid silicone allow this probe to flex with your movements and deliver intense stimulation. This sensually ribbed probe is made from an extra soft silicone for uniquely comfortable pleasure play. A powerful vibration motor in the shaft delivers 12 intense functions of rumbling backdoor stimulation, while the contoured base and pliable body flexes and moves during even your most X-rated moments. Enjoy comfortable insertion, effortless stimulation and gentle removal with the ergonomic shape, flexible design and curved base. Recharge the premium liquid silicone massager in 1.5 hours with the provided USB charging cable to enjoy 110 minutes of low-speed stimulation or 55 minutes of high-speed vibrations. While the easy button controls the intensity and the plump probe gives you the stimulation you want, the integrated state of the art memory chip remembers just how you like it by starting on the last function used.
