Product description

Give yourself over to your wildest fantasies with the fulfilling California Dreaming Long Beach Bootylicious. Experience pleasure like never before with the powerful triple action massager with vibrating shaft, tail, and stimulator.

The powerful dual penetrating massager uses 3 speeds of vibration through the sensually curved shaft for g-spot teasing penetration. While a BEDDED tail thrills all those backdoor pleasure lovers, a BEDDED teaser flickers to the rhythm of 10 powerful functions of vibration.

The rhythmic vibe teaser functions deliver show-stopping clitoral stimulation while the contoured shaft indulges with deep rumbling vibrators. Control and customize your pleasure play with the independently controlled vibration functions. Recharge the massager in 2.5 hours with the provided USB charging cable to enjoy 45 minutes of high-speed stimulation or 90 minutes of low speed vibrations.

Enjoy frustration-free control with the easy-touch 3-button control pad and security lock feature for travel-ready teasing. The virtually seamless body and self-sealing charging port allow you to get this versatile waterproof vibe for a dip.
