Product description

Very realistic penis, of unsurpassed quality, thanks to the new Life-Like Futurotic material, the latest in simulating the touch of human skin.

Made with non-toxic and hygienic TPR materials, free of phalates.

It has all the luxury of details, glans, veins and testicles very well reproduced, with a completely real appearance, to reach maximum stimulation and incredible sensations.

- The Futurotic Plus material perfectly simulates the touch of human skin and the stiffness that the penis needs, to fully enjoy all the sensations.
- It is provided with two powerful vibrators, which allow multiple speeds, one of them in the testicles.
- It includes a powerful circular suction cup at its base, for a better grip.
- Measurements: 18 cm x 5 cm.

It works with 2 R6 / AA batteries that you can find in the Batteries section.
