Product description

Wrap yourself in next-level throbbing pleasure with the powerful Optimum Power® Pulsar Stroker.

This fully self-contained vibrating masturbator was created to envelop your senses with a completely customizable stroking experience. An ultra-tight, textured chamber surrounds you tightly, while three powerful suction levels and four independent vibration functions deliver unparalleled pleasure.

The easy-touch control panel makes it easy to adjust functions; press and hold the power button for 3 seconds to turn on/off. The ultra-tight, ultra-soft textured sleeve can be removed for cleaning or used independently for the stroker.

Enjoy the removable lid for clean and safe storage.

Enjoy over 1.5 hours of sucking pleasure at low speeds and recharge the passion in just 2 hours with the provided USB cable.
