Product description

The Eclipse Rotator Probe is a sensual silicone probe created to ease you into thrilling anal pleasure. While the ergonomic design and plush silicone allow you to play with ease, a rotating tip and 12 powerful functions of vibration deliver earth-shaking pleasure. Choose the intensity of your pleasure and ride the waves of orgasmic internal stimulation with synchronized rotation and vibration. The sensually curved shaft, contoured base and easy-push control allows you to dive deep into effortless stimulation. The contoured body and rotating tip reaches your deepest pleasures during your most X-rated moments. Enjoy comfortable insertion, effortless stimulation and gentle removal with the ergonomic shape and curved base. Recharge the premium silicone massager in 1 hour with the provided USB charging cable to enjoy 40 minutes of high-speed stimulation or 60 minutes of low speed vibrations. While the easy button controls the intensity and the plump probe gives you the stimulation you want, the integrated state of the art memory chip remembers just how you like it by starting on the last function used.
