Product description

With the inhaled shower, you can be sure that you maintain the highest level of anal hygiene: Any concerns about cleanliness can be left at the door with our premium anal shower.

This fully reusable anal shower system is easy to take apart, which means you can clean it quickly and easily, and the rugged construction means your unit is built to last. It features a fully transparent bottle, allowing the user to measure exactly how much water is in the shower.

It is not only hygienic, but it is also incredibly safe to use, so you have complete peace of mind when using our product. This superior cleaning system comes complete with two accessories, allowing you a number of options when it comes to douches.

Go for the smallest, easiest to use and most discreet accessory when time is of the essence, or use the largest accessory when using your Ultimate Douche as part of your water gaming experience.

Hygiene Guide

Anal Hygiene Tips

Regular bowel movements and high-fiber diet reduce the need for douching. When you do douche, use only water – never soaps, chemicals, or stimulants.

Over-douching can disrupt natural bacteria. Limit to 2-3 times per week maximum.
