Product description

The Lock-N-Play™ Remote Wrist Teaser is a powerful small massager combined with a discreet wrist controller and fun for pleasure seeking adventurers.

The elegant and discreet controller of the bracelet makes it easy for you or your lover to control the intensity of the vibration with the touch of a button. Whenever or wherever passion takes you, this passionate pantyhose vibrator's 30-foot radius range and 12 intense vibrating functions are ready for play.

Use the discreet controller or button on the back of the panty to cycle through 12 vibration functions for a host of intensities and patterns to choose from. Whether you choose to stay in control or leave the pleasure in your partner's hand, this powerful teaser is sure to provide you with a trembling sensation in your knees.

From blushing beginners to erotica experts, this happy bullet adds versatile vibes to any toy box.

Recharge your passion in less than 1 hour with the provided USB cable for up to 90 minutes of low speed vibration or 50 minutes of high intensity stimulation.
