Product description

CASUAL LOVE RING 25 is Made with premium silicone, a safe and soft to the touch material. Its highly flexible design allows it to comfortably adapt to any penis size, providing a pleasant and comfortable experience for the user. It is a clitoris stimulator ring and vaginal exciter, with which you can increase the pleasure in your intimate relationships, to unsuspected limits.

Equipped with a small on/off switch, this ring offers complete control over the vibration at all times. With the push of a button, you can activate or deactivate the vibrations according to your preferences, ensuring a personalized and satisfying sexual experience.

One of the main features of this ring is its ability to help delay ejaculation. By exerting gentle pressure on the base of the penis, the ring helps maintain a firmer and longer-lasting erection, which prolongs the time of sexual relations and increases pleasure for both you and your partner. .

In addition to delaying ejaculation, the Casual ring also helps maintain a longer erection. By restricting blood flow out of the penis, it helps keep blood within the erectile tissue, resulting in a firmer, longer-lasting erection during sex.

The Casual ring is a versatile and effective accessory that can significantly improve your sex life. With its high-quality design and innovative features, this ring gives you control, comfort and pleasure in every intimate encounter. Plus, its operation with an included L754F battery ensures a seamless experience, ready to enjoy anytime, anywhere.
