Product description

CR 4134 this babydoll features a knotted design at the neck, which adds a touch of elegance and femininity to the outfit. This style of tying allows the shoulders to be seductively exposed, creating a charming and delicate look.

The top of the nightgown is open. Made with lace, which adds a touch of sophistication and sensuality to the design. The lace enhances the femininity and natural beauty of the bust, adding an element of glamor to the ensemble.

The bottom of the nightgown is open. Made with slightly transparent tulle, which adds an element of mystery and seduction to the set. The tulle provides light coverage and subtly suggests the skin underneath, creating a sensual and enticing effect. The set comes complete with a matching thong, which perfectly complements the nightgown and adds a final touch of sensuality and flirtation to the ensemble. The thong provides minimal coverage and seductively enhances curves.
